TO PRACTICE NURSING	:	
IN THE STATE OF NEW JERSEY	:	
	:	

This matter was opened to the New Jersey State Board of Nursing ("Board") upon receipt of Chamtany Yang's application for licensure as a Licensed Practical Nurse (LPN) by examination, including voluntary consent to a criminal history background check. Upon review of the results of the criminal history background check, the Board ascertained that the applicant was arrested on two separate occasions. The first incident occurred on January 5, 2010 in Sheboygan, WI where the applicant was arrested by the Sheboygan Police Department for underage drinking to which the applicant plead guilty on February 3, 2010 and was fined \$283.50. The second incident was on July 29, 2015 where the applicant was arrested by the Sheboygan Police Department for Disorderly Conduct, and plead guilty to the same charge on September 16, 2015 and fined \$250.00.

The applicant failed to disclose these arrests and convictions on her application for licensure, answering "No" to the question on the license application which asked if she had ever been arrested and "No" to the question which asked if she had ever been found guilty of any offense.

The applicant now acknowledges the arrests and convictions, and provided the Board office with a copy of the dispositions.

The Board finds that the applicant misrepresented her criminal history on the application, which constitutes a violation of N.J.S.A. 45:1-21(b).

The Board having reviewed this matter, and having considered the nature and timing of the above conduct, and the parties desiring to resolve this matter, and the Board having determined that the within Order is sufficiently protective of the public, in lieu of further proceedings, and for other good cause shown;

IT IS on this 7th day of April, 2016

HEREBY ORDERED AND AGREED that:

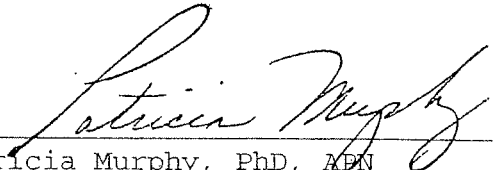

1. The application of Chamtany Yang for licensure as a licensed practical nurse (LPN) shall be granted upon proof of successful completion of the National Council Licensure Examination for Licensed Practical Nurses (NCLEX-PN), Board review and approval of a completed application and compliance with paragraph two below.

2. A civil penalty in the amount of five hundred dollars (\$500.00) is hereby imposed upon the applicant for failing to disclose her arrests and convictions on her application. Payment shall be made by certified check, bank cashier check, or money order payable to "State of New Jersey," or by wire transfer, direct deposit, or credit card payment submitted contemporaneously with this signed Order. Any other form of payment will be rejected and will be returned to the party making the payment.

3. The applicant shall obey all the laws of the State of New Jersey, the United States and their political subdivisions, as well as all regulations, rules or laws pertaining to the practice of nursing in any State or jurisdiction in which she practices nursing.
